

AIIA Membership Application Form

Welcome to the AIIA, Australia's largest peak ICT industry representative body and advocacy group. For over 30 years it has been our mission to promote, represent and to grow the ICT industry in Australia. Our members are organisations, not individuals, we are a not-for-profit organisation to benefit all our members, and **our membership fees are tax deductible**.

All organisations involved with the ICT industry in Australia can become members of AIIA. Once your organisation becomes a member of AIIA, then all your employees become entitled to participate in, and benefit from, the vast array of AIIA programs, initiatives and groups around Australia. AIIA has a comprehensive range of services and activities to help grow your business. Please feel free to contact us at membership@aia.com.au for more information.

Your Membership Benefits

Our members tell us that AIIA membership helps them to speak with a unified voice to positively influence government policy, legislation and decision making, to raise members' business profiles and to access the latest industry information. We also help our members to find new business partners and new opportunities, and we help save them money through our exclusive online services and knowledge portal www.AIIA.biz.

We look forward to welcoming your organisation as a member of Australia's ICT peak body.

Your Membership Category

Your company applies for the following category of membership:

Full Membership	<input type="checkbox"/>	Full Membership is open to organisations that derive commercial gain from the sale or supply of Information and Communications Technology (ICT) goods and/or services in Australia.
Affiliate Membership	<input type="checkbox"/>	Affiliate Membership is open to organisations that may not qualify for Full Membership, but provide services in support of, and have interests and objectives in common with, the Information and Communications Technology (ICT) industry.
Associate Membership	<input type="checkbox"/> .edu .gov	Associate Membership is open to educational and government organisations that support of and have interests and objectives in common with the Information and Communications Technology (ICT) industry and which use the .edu or .gov domain.
